Local

Are any of the following considered to be problems in procuring local products or reasons why your district does not purchase even more local products?

- Not enough money and time-to pay for employee to get info about distributors, deliveries and prices.

All possible answers

- Local producers aren't bidding
- GAP or other food safety requirements
- Lack of compliance with your institution's purchasing regulations and policies
- Lack of availability of processed/precut products
- Hard to find new suppliers/growers or distributors
- Hard to get information about product availability
- Hard to place orders with vendors
- Getting on time deliveries
- Getting product delivered that meets your quality requirements & other specs (i.e., size)
- Having quantity delivered equal to quantity ordered
- Resolving problem deliveries
- Hard to find year-round availability of key items
- Inability to pay farmers according to farmers' needs due to school district payment procedures
- Hard to coordinate procurement of local with regular procurement
- Local items not available from primary vendors
- Vendors for local items don't offer a broad range of products
- Higher prices
- Unstable product prices
- Lack of reliability in delivering ordered items
- Lack of kitchen equipment to process/prepare local foods.

Activities

To the best of your knowledge, please check the activities that any of your district's schools engaged in during the 2013-2014 school year.

- Conducted student field trips to farms or orchards
- Had farmer(s) visit the cafeteria, classroom or other school-related setting.

All possible answers

- Served locally produced foods in the cafeteria
- Conducted edible school gardening or orchard activities as part of a school curriculum
- Conducted edible school gardening or orchard activities as part of an after school program
- Conducted student field trips to farms or orchards
- Had farmer(s) visit the cafeteria, classroom or other school-related setting.
- Promoted local efforts through themed or branded promotions (e.g. Harvest of the Month, Local Day, Taste of Washington, etc..)
- Promoted locally produced foods at school in general (e.g. via cafeteria signs, posters, newsletters, etc.)
- Generated media coverage of local foods being used in schools (e.g. press interviews or other activities that resulted in local coverage)
- Hosted farm to school related community events (e.g. invited parents to lunch, corn shucking contests, etc.)
- Celebrated Farm to School Month (October 2013)
- Integrated farm to school concepts, including school gardening activities, into educational curriculum (math, science, language arts, etc.)
- Served locally produced foods as a Smart Snack (a la carte, as fundraisers, etc.)
- Provided training to school food service staff on farm to school or school gardens
- Worked with local food producers to develop a specific food product using local foods
- Implemented farm to school activities as part of overall school efforts to reduce food waste
- Evaluated changes in student acceptance and food waste as a result of implementing farm to school activities
- Served locally produced food or providing farm to school activities as part of afterschool programs.
- Served products from school-based gardens or school-based farms in the cafeteria
- Held taste testing/demos of locally produced foods in the cafeteria, classroom, or other school-related setting
- Held taste testing/demos of product from school-based gardens or school-based farms in the cafeteria, classroom or other school-related setting
- Used Smarter Lunchroom strategies to encourage student selection and consumption of locally produced foods (e.g., product placement, food prompts, creative signage, etc..)
- Used cafeteria food coaches (e.g. adults or students in the cafeteria encouraging kids to eat health/local foods)
- Used USDA Team Nutrition materials (such as The Great Garden Detective Adventure or Dig In!) as part of taste testing or educational activities.

Can't find your district?

It's because USDA does not have a record for your school district.
